

2025/26 FIRST® LEGO® League Macao Regional Final

FLL Discover Registration Rules

Objectives

Through hands-on activities, students will gain basic STEM knowledge and inspire their innate curiosity, cultivating positive learning attitudes.

Season Theme

UNEARTHED

Students will explore the value of forgotten cultures and uncover the mysteries of ancient relics. Through hands-on design and creative storytelling, teams will bring long-buried civilizations back to light! Guided by their teachers, participating teams will carry out thematic studies, build solution models using LEGO® DUPLO® and the annual season set, and present their learning outcomes.

UNEARTHED

Partnership

Organizer: Macao Science Center

Supporter: Education and Youth Development Bureau

Implementer: Macao Gifted Education Association

Eligibility and participation

Students aged 4–6. Each team is composed of 4 students and 1 adult coach.

***The competition is open to both school-based and community-based teams.**

Date: March 21, 2026, 10:30-16:00 (Lunch break 12:30-14:00)
(MSC Convention Center)

Participant cap: 50 individuals; With a maximum of 2 coach per enrolled FLLE and FLLD team.

Content: Join **Dr. Chan Tak Hou** for a sharing session on the basics of archaeology, recent work in the region, and the challenges in archaeological fieldwork.

Competition Details

Under teacher guidance, teams will conduct theme-based studies using LEGO® DUPLO® sets and the annual FLL Discover Set (#45831) to build solution models and create a team poster.

The poster should showcase the project process and learning outcomes. Judges will visit each team for up to 15 minutes, including 10 minutes for the team presentation and 5 minutes for judges' questions.

Awards

All teams will receive certificates. The competition will also present the following awards, with winning teams receiving trophies or medals.

| | | | |
|---------------------------------|----------|--------------------------|----------|
| Challenge Solution Award | multiple | Team Model Award | multiple |
| Core Values Awards | multiple | Team Poster Award | multiple |

Other Information

1. The official English competition rules shall prevail in case of discrepancies.
2. Winning teams may have opportunities to participate in national or regional competitions within the same season, subject to LEGO® Education announcements.
3. Results and awardees will be announced on the Macao Science Center website: www.msc.org.mo
4. The organizer has the right to terminate the event, modify regulations, or disqualify teams for misconduct.
5. Any disputes will be subject to final interpretation by the organizer.
