2026/27 *FIRST*® LEGO® League Macao Regional Final

FLL Explore - Founders Edition Registration Rules

Objectives

Through teamwork, creativity, and technology, students use LEGO® Education SPIKE™ Essential sets to create unique solutions, and present their work via posters and reports to showcase learning outcomes.

Season Theme

Students will work together in teams, applying creativity and technology with the LEGO® Education SPIKE™ Essential set to develop unique solutions, and they will showcase their learning outcomes through posters and presentations.

Partnership

Organizer: Macao Science Center
Support by: Education and Youth Development Bureau, Urban Planning and Construction Bureau of Guangdong-Macao In-Depth Cooperation Zone in Hengqin
Implementer: Macao Gifted Education Association
